

Maintenance: Road grading and rolling are continuing resort wide. Lots and deadwood are being cleaned up at both RV parks.

Golf Course: Per the golf superintendent the newly reseeded greens will be opened for use in mid-March. The pro shop manager has remodeled and updated the pro shop to better accommodate the golfers and to provide more merchandise to sell.

Restaurant: The restaurant is reporting that things are going well and business has been picking up. Please give them a try whenever you get a chance.

**As I'm sure everyone is aware the water department is installing a large water line alongside Crossroads Drive to better facilitate water distribution to Flint Ridge and several surrounding communities. There will be a new water tower off of Indian Springs Drive. This project is scheduled to be completed around September.
